12th European Wave and Tidal Energy Conference (EWTEC) 2017

The European Wave and Tidal Energy Conference (EWTEC) series are international, technical and scientific conferences, focussed on ocean renewable energy and widely respected for their commitment to maintain high standards in the quality of academic and industrial contributions to their proceedings. EWTEC is a leading conference in renewable energy showing considerable growth since its launch in 1993.

The 12th EWTEC is organized by the Centre for Marine and Renewable Energy (MaREI).

Chairman: Prof. Tony Lewis.

EWTEC 2017 will take place at University College Cork from 27th August to 1st September 2017.

It's a unique opportunity to reach 700 delegates from 35 countries.

Who will attend?

- Engineers
- Industry representatives
- Academic researchers
- PhD students
- Institutions representatives
- Policy makers
- Venture capital providers
- Ocean renewable energy experts
- Industry professionals concerned with the development of marine renewable energy

Good Reasons to join us

- 1 To meet face to face with more than 700 experts in the field of wave and tidal energy
- 2 To strengthen your network and create new partnerships
- 3 To enhance your knowledge about ocean renewable energy
- 4 To promote your latest techniques and services
- 5 To keep up with your competitors and create a network with future leading experts

SPONSORSHIP, MARKETING & ADVERTISING OPPORTUNITIES

Choose among the sponsorship, marketing and advertising options listed below. Your company / research group will get high visibility before, during and after the congress among a targeted community of experts.

INDUSTRY SESSIONS / SIDE EVENTS

You may take benefit from the presence of highly skilled specialists and experts to organise a side event or an industry session at the forthcoming EWTEC 2017. All programmes must be submitted to the Scientific Committee for approval. These sessions will be announced and incorporated in the conference printed programme.

Duration 60 minutes

Monday 28, Tuesday 29, Wednesday 30 August 2017, from 5:30 pm.

- 100 seats room: €2,000
- 200 seats room: €3,500
