About the Conference Welcome to the abstract submission platform for the 15th European Wave and Tidal E September 2023 The <u>European Wave and Tidal Energy Conference</u> is the foremost biennial conference EWTEC is widely respected for its commitment to high quality contributions, which are conference and published in these Proceedings.	inergy Conference, held in Bilbao 3-7 series on wave and tidal energy. a peer reviewed, delivered at the Make a Submission
New EWTEC submission portal - how to log in 2022-11-14 If you had an account on the previous EWTEC submission site, it will have been transferred and you can log in with your previous username.	

Role

- A Track Director (TD) is responsible, within their assigned submissions, for:
 - Checking abstracts and inviting full paper upload*
 - Requesting full paper reviews
 - Requesting revisions from authors
 - Making the final decision on acceptance for presentation at EWTEC

*The abstract stage may be handled in-house by Local Committee

Process overview

*Rarely, an author may be asked to revise an abstract. Similarly after full paper revisions are submitted, further revisions can be requested if necessary.

Abstract review process

There are two steps in approving an abstract:

- 1. Go/no-go: either start the review process or desk-reject the submission
- 2. Invite the authors to upload a full paper.
 - Optionally suggesting improvements to abstract

Submission Go/No-go

- 1. Is there an abstract text?
 - Compulsory: abstract included in text box under publication tab
 - **Optional:** additional supporting pdf
- 2. Is the abstract in English?
- 3. Does it look like an abstract?
 - e.g. not 'Lorem ipsum' or 'abstract to be uploaded later'
 - Not an advertisement/spam

If all are YES \rightarrow Enter into review process If any are NO \rightarrow Decline (desk reject)

FAQ

- Can authors update their submission metadata? (abstract/title/authors etc.)
 - yes, through the publication tab of their submission
- Can authors change a submission file after submitting?
 - not usually, unfortunately. A TD can do this via the workflow tab of the submission.
- Is it possible to check what e-mails have been sent to author?
 - yes, via the activity log button in the top right of the submission screen
- How to contact author?
 - add a discussion on the workflow tab of the submission, adding the author as a participant
